The last word in fighting entertainment is DEAD OR ALIVE 5 Last Round! Two new playable characters make up the biggest roster in the history of the series! One of them is already familiar to us from the previous game , while the

second is a new character that was created using motion capture technology and is a person capable of performing the most complex, incredibly fast and dangerous combat moves. Each character has its own unique abilities that will be available as you progress through the game. In addition, a brand new character will appear in the game, who will become your main assistant and partner in passing the game.
